

FRESH'AIR ALOE VERA

Users

Cleaning companies, general services, building superintendents, technical services, and intermunicipal associations.

Product Benefits

- Very powerful odouring agent
- Long-lasting scent
- Concentrated, dilution dose : 1%

Application

Le VRAI PROFESSIONNEL FRESH'AIR ALOE VERA is a concentrated air freshener that neutralises bad odours, leaving a long-lasting fresh scent.

It can be used in:

- Outdoor public places: public toilets, shop windows, household refuse containers,
- Indoor common areas: attached garages, underground parking, basements, etc.

The Aloe Vera scent is popular for its use in semi-open or enclosed areas.

Dosage and Instructions for Use

1% (1 litre per 100 litres of water).

Used by squirting, watering, spraying, pressure spraying, or sweeping.

Repeat application at least once a week.

Logistical Data:

	5 L
Action Pin Code	5604
Barcode	3 519220 056041
Net Weight	4.98 Kg
Gross Weight	5.18 Kg
Unit Dim. (in mm)	H. 291 x L. 186 x W. 126.5
Unit No. / Box	4
Stacking	4 layers of 8 boxes or 32 boxes per pallet or 128 units per pallet

OUR SUSTAINABLE DEVELOPMENT COMMITMENT

This product has been designed and manufactured in France using an integrated management system which is certified ISO 9001 (quality), ISO 14001 (environment) and OHSAS 18001 (health and security). These three certifications consecrate our sustainable development commitment based on:

- ecodesigned products bringing tremendous benefits to the consumers' safety and the safeguarding of the environment,
- the use of natural raw materials most of which are based on pine derivatives extracted from the Landes forest which is managed and renewed.
