OUR SUSTAINABLE DEVELOPMENT COMMITMENT

This product has been designed and manufactured in France using an integrated management system which is certified ISO 9001 (quality), ISO 14001 (environment) and OHSAS 18001 (health and security). These three certifications consecrate our sustainable development commitment based on:

- ecodesigned products bringing tremendous benefits to the consumers' safety and the safeguarding of the environment,
- the use of natural raw materials most of which are based on pine derivatives extracted from the Landes forest which is managed and renewed.
